## Introducing The Gemini Plus II™ In-Car Video System Featuring High Quality Digital 8™ Video Capture

Decatur Electronics, Inc. has engineered a high quality Digital 8™ video and audio recording system that mounts and operates safely within your vehicle's interior.

Our enhanced Gemini Plus II™ In-Car Video System combines technology and innovation, elevating law enforcement live action tape recording to the highest level.

### All Of The Features You Need

- **Complete In-Car Video System** - Mounted in Vehicle's Interior
- **Easy To Install & Service** - Installs in 30-45 Minutes
- **Sony® Digital 8 Format** - Commercial CD Quality Recordings
- **Active Matrix Color Monitor** - Easy Event Viewing
- **Sony® Color Camera** - A Trusted Name in Image Quality
- **Wireless Audio** - Convenient Wireless Mounting Options
- **Record-Over Protect** - "Bulletproof" Previous Recording Protection
- **Optional Radar Overlay** - Radar Information Displayed on Video

A Complete Digital 8 In-Car Video Recording System

## Video Quality

Decatur Electronics combines technology and innovation to achieve superior quality in the Gemini Plus II™. Our use of Sony's patented Digital 8™ format delivers more than 400

lines of resolution – nearly double that of standard VHS. This high quality, high resolution presentation allows for clear incident review and then evidentiary viewing at a later date.

## Audio Quality

Evidence recordings also demand good audio. The SONY® Digital 8™ allows audio information to be recorded using commercial CD recording technology. You spend less time in court when your evidence has the undisputed clarity the Gemini Plus II™ provides.

## Versatility!

### *We've Got It!*

The Gemini Plus II™ Console model is designed with versatility in mind. Decatur Electronics' unique design offers installation in the console area of any law enforcement vehicle. And with components crafted from the same dependable materials as our field tested and trusted overhead models, you can count on a reliable system that won't let you down in the middle of a pursuit.

## Additional Add-On Options

- **Light Indicator** - initiates recording when emergency lights are engaged.
- **Brake Indicator** - records BRK on video, offering braking history.
- **Radar Overlay** - allows the Gemini Plus II™ to interface seamlessly with the Genesis I™ or Genesis II Select™ radar units to display speeds.
